RESPONSE TO REQUEST FOR SUBMISSION OF FORMAL DRAWINGS

Commissioner for Patents
Washington, D. C. 20231

July 24, 2003

Sir:

In response to the request for corrected drawings, applicants, through their undersigned representative, note with appreciation the receipt of the Notice of Allowance papers in connection with the above-identified application, dated June 25, 2003.

In the Notice of Allowability transmittal (form PTO-37), it is noted that a requirement was made for corrected drawings (see item 8[b] in form PTO-37). Based on a review of the file history, however, it is noted that the corrected set of Formal Drawings were filed as an attachment to a cover letter entitled, "*Submission of (Corrected) Formal Drawings*", on March 18, 2003 (please see PTO-dated receipt attached hereto). That set of (Corrected) Formal Drawings was inclusive of all earlier approved changes included in the "*Proposal to Amend the Drawings*," submitted September 18, 2002, and was the only requirement made with regard to the drawings.

It is submitted, since the set of (Corrected) Formal Drawings were already

filed, and are inclusive of the prior, approved proposed correction to Fig. 1 thereof, any such previously outstanding requirement directed thereto has been satisfied. Accordingly, insofar as presently applicable, the previously outstanding requirement has been rendered moot and, therefore, it is applicants understanding that no further action need be taken in the matter. However, in order to avoid any further unnecessary delays and for the Examiner's convenience, enclosed herewith is a copy of the paper filed on March 18, 2003, referred to above, which is directed to the Submission of (Corrected) Formal Drawings along with a new copy of that formal set of drawings.

Respectfully submitted,
ANTONELLI, TERRY, STOUT & KRAUS, LLP
